

Side-Cutting Pliers

30-420

30-430

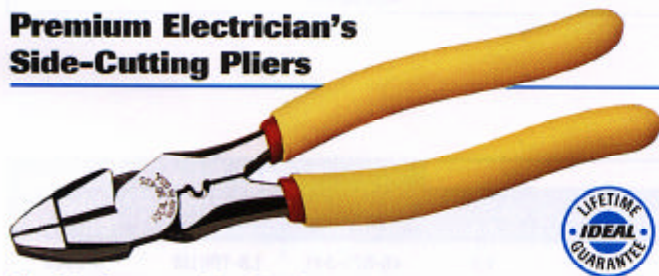

35-013

35-012

- Drop-forged, high-carbon steel construction withstands toughest applications
- Knife-to-anvil blades never need resharpener
- Induction-hardened blades and serrated jaws for long-term durability
- High-leverage design provides 40% more cutting power
- Unique reverse rivet protects smooth action of plier movement
- Models with crimping die crimp bare and insulated terminals
- Vinyl-coated, comfort-grip handles for a secure grip
- Lifetime guarantee
